Term 4 Week 7

Rand Public School

17th November 2015

From The Principal

It is good to be back. Thank you to Mrs Rose, Miss Hounsell and Mrs Williams for teaching the children whilst I was on leave. They have done a magnificent job of maintaining consistency in the teaching and learning of curriculum content to the students. The children have given me positive reports on their learning at school whilst I was on leave.

Learning observations, work samples and data are being collected to assess student's learning for reporting purposes. These are valuable forms of assessment for our teaching staff to determine what students can do and what future learning needs to be addressed. More information will be given out in the near future on when the reports will be sent home.

Good readers visualise and create images in their heads.

We are learning to think about the images we 'see' as we read. We can think about and find words in a text that help us to see or make a movie in our heads about the character/event. Please encourage your child to use this comprehension strategy when they are practising their reading at home.

Regards
Bouts Sayasenh
Acting Principal

Creative Catchment Kids

This Friday 20th November, Chloe, Kate, Jack and Harry will travel to Wirraminna for the launch of their book - The Busy Weevils which they wrote for the Creative Catchment Kids program. Students researched the information, conducted interviews, wrote their story, proofread and edited. Thank you Jacko for assisting the students with their book.

P&C

At the P&C Meeting yesterday it was decided to hold a Fun Day event to be held on Tuesday 15th December. This will also include a Christmas Luncheon. The students are working with Kirsty to organise a variety of fun activities to raise money for charity.

We kindly ask that families save their empty tissue boxes for one of the activities. Please send empty boxes to school as soon as they become available. Thank you.

Presentation Night (Tuesday 8th December)

The P&C would appreciate any donation of non-perishable items (no alcohol please) that can be added to a hamper to be raffled and drawn on Presentation Night. These can be left at the office for the P&C to collect.

Awards

Book Learning Award: Tammy for great research on Australian multiculturalism.

Sports Award: Tammy for cleaning up the sport shed.

Leaders Award: Alex for good listening in class.

Student of the Week: Alex for developing good questions about transport.

What is one thing that you have learnt this week? Counting by tens

What do you like to do when you get home from school? Play with my racing car.

What is your favourite subject at school? Sport.

What makes you smile? My family.
