Term 4 Week 9

Rand Public School

3rd December 2015

From The Principal

Presentation Night is an opportunity for our school community to celebrate the success of our students who deserve acknowledgement for their efforts over the year. It is also a function where we come together with our local community to give recognition to the achievements and benefits of building a strong and positive partnership as we support our student's learning.

Our school's affirmation, Learn to Live and vision statement highlights our aim to provide the best education and to nurture, challenge and guide our students for future success and wellbeing. We strive to inspire our students to succeed and be confident and creative life-long learners. A whole school Presentation Night is very much an important function to foster these high expectations and to promote our great school. Families' attendance is welcomed and encouraged. This year's Presentation Night will be held on Tuesday 8th December commencing at 7:00pm.

I look forward to seeing you there next Tuesday night.

Regards
Bouts Sayasenh
Relieving Principal

Classroom Learning

This week the primary class have used a word cloud application called Tagxedo to help with their visual spelling strategies. It can be used for speeches, slogans or even songs. Another creative way to present learning or used to support learning. Here are some examples that students have created to learn this week's spelling words. It will become part of future school and home learning tasks.

Our school leaders have also learnt to use Animoto to create a video. They have used photographs of various school events to reflect on this year's highlights and achievements. This will be presented at our last school assembly for the year on the Tuesday 15th December, commencing at 9:10 am.

Students in K – 2 have been learning about what makes an object move. We have been testing out our knowledge and understanding about force.

Kinder 2016 Enrolments

If you haven't already handed your enrolment forms in to the office, please do so as soon as possible. Entering student data into the computer now enables us to be better prepared for the 2016 school year. Thank you.

Library News

Last week was the last week for borrowing. Students will need to bring all library books and readers back to school by Friday 4th December. The staff will be doing a stocktake of these books so the library and home readers can be ready for use at the start of Term 1, 2016. Thank you to those students who have returned your books.

Tissue Boxes Wanted ***

We are still after some more empty tissue boxes for our end of year activities. Please send them to school if you have any at home. Thank you.

Presentation Night Raffle

The P&C would appreciate any donation of non-perishable items such as pasta, biscuits, Christmas bonbons, mayonnaise etc (no alcohol please) that can be added to a hamper to be raffled and drawn on Presentation Night. These can be left at the office for the P&C to collect. A big thank you to Nancy, (Kate's Nan) for donating a beautiful doll for the raffle.

Please bring a plate to share for supper at the conclusion of Presentation Night.

Presentation Night (Tuesday 8th December)

Please remind your child to bring their costumes for their presentation item. They will remain at school and be taken to the hall on the night for students to get changed into. Students will need to come dressed in full school uniform to the Presentation Night.

SRC Summer Treats

The Student Representative Council (SRC) are selling Zooper Doopers for 50¢ and Flavoured Milk (Chocolate or Strawberry) - \$1.50 every Friday at recess time. If your child/ren would like to make a purchase please send the money in on the day. A reminder – there will be no IOU's given.
