November	
Tuesday 1 st	Kinder 2017 Orientation
Wednesday 2 nd	T&D Mrs Morey – Albury Wagga Art Gallery Visit
Friday 4 th	Cricket Clinic

Kindergarten Orientation

Just a reminder that our Kindergarten Orientation program will be held on Tuesday 25th October and Tuesday 1st November 2016. The parent information session will be held on the Tuesday 25th October in the main classroom from 3:10pm-3:40pm. An information pack will be given out at the session. This information pack can be sent home if parents are unable to attend. Mrs Sayasenh or Mrs Morey will help with any queries parents may have about our information pack and orientation program.

Super 8's Cricket

We will be hosting our annual Super 8's Cricket Carnival at the recreation ground tomorrow and look forward to having a great day of participation, fun and up skilling our cricket skills with students from Walla Walla, Walbundrie, Burrumbuttock, Brocklesby and St Francis.

Students in Years 3 – 6 will walk over to the sportsground to participate in the cricket carnival whilst students in K – 2 from the Walbundrie Network will remain at school and participate in many activities including a cricket clinic. K – 2 students will walk across to the sportsground for lunch at approximately 1.00pm.

Thank you to Cricket Australia who will be running the cricket clinic sessions tomorrow. All families and friends are welcome to come and join us tomorrow. The carnival will commence at 10:00am and will conclude at 2:00pm. Our hardworking P&C will have a canteen facility for lunch orders. We are looking forward to seeing everyone at the carnival!

Year 5 and 6 Canberra Excursion

Not long to go before our Year 5 and 6 students travel to the Australian Capital Territory in week 6. Please ensure that all notes and payments have been made to the office. Our four students will be joining other students from Walla Walla, Walbundrie, Brocklesby and Burrumbuttock. Mr Scott will supervise our students on the trip along with other teachers who will be attending the excursion.

Wagga Wagga Art Gallery- Gulbalanha Excursion

We are currently organising a whole school excursion to the Wagga Wagga Art Gallery on the 2nd of November to view the masterpieces submitted by Kate, Harry, Jack and Chloe as part of the Rural and Remote initiative art program – Gulbalanha. These students have been a part of this program since the beginning of the year. It is a wonderful opportunity for all of our students to view, appreciate and celebrate our Stage 3 student's art works. Thank you to Mrs Wiltshire who has been supporting and teaching the students. Their creativity and creation is outstanding! Rand's very own residential artists have their work exhibited at an art gallery! A fantastic achievement Kate, Harry, Jack and Chloe!

Intensive Swimming

The Intensive Swimming Program will commence on Monday 21st November and concludes on Friday 2nd December 2016. Permission notes will be sent out closer to the date.

Trespassing

A reminder – students are **not** to be on school grounds outside of school hours. Locks have now been placed on all of the school gates.

Primary Class Learning News

Years 3-6 – Mrs sayasenh

Whose point of view is it?

Term 4 has started off with lots of learning in our classroom. We have continued with our learning about points of view and perspectives in English. We are focusing on identifying multiple perspectives in written and multimodal texts (Two or more communication modes for example, print, image and spoken text, as in film or computer presentations.) We have viewed some short digital films in class. Lots of discussions and analysing was made about what we saw and whose point of view was being told. We completed different charts to summarise the different points of view. We have learnt that, when you read a story, the author is trying to help you imagine what the character is thinking to help you understand why the character did something. Have you ever felt like you wouldn't have done an event the same way a character did it in a book or film?

We are now composing short pieces of texts to show points of view and exploring how changing a point of view could change a story in different types of texts.

Here is a link to one of the digital texts that we viewed. What would you do if you were one of the people in this advertisement? It is about the power of words and how a girl changed a blind man's day. <https://www.youtube.com/watch?v=QYcXTIGLUqE>

Infants Class Learning News

Kindergarten – Year 2 – Mrs Armstrong

The K- 2 children have arrived back at school for Term 4 with a great attitude towards their learning. The classroom is a very settled and happy place where the children are demonstrating improvement in such things as taking turns and listening to one another. In doing so, students are creating an environment where they learn from each other as well as their teachers. Increased learning is facilitated by the respect the children have for their classmates and for the learning environment.

Walbundrie Show Artwork Prizes

Congratulations to the following students who gained a placement at the Walbundrie Show in the picture or collage art competition held over the school holidays. Well done to everybody for putting a fantastic effort into their entries. They were all very creative and it must have been very hard for the judges to pick the winners!

Kate Webster – First Place Years 5 and 6

Jack Collier- Second Place Years 5 and 6

Jasmine Collier – Second Place Years 3 and 4

Emily Kreutzberger – First Place Kinder

Flynn Williams – Highly Commended

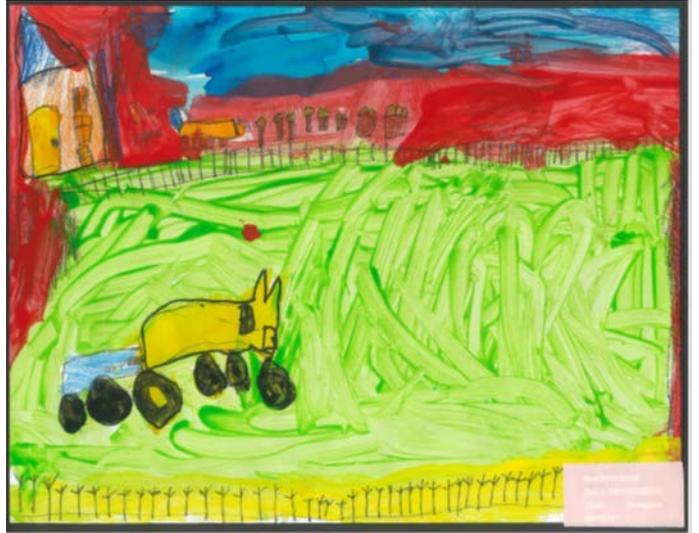

Learning Detective Awards

Ella Pollard – Demonstrating improved persistence in all her learning

Harry Kreutzberger – Demonstrating skills in analysing different points of view in a variety of texts.
