Welcome to our New Family

We would like to welcome Rebecca, Cameron, Matilda and Jasmine to our school community. Matilda has joined our Year 3 class and has settled into her new school already.

Class News

100 Days of School!

Last Thursday as a school we celebrated Kindergarten's hundredth day of school. We looked at some photographs from 1917 and discussed what had stayed the same and what had changed over the last 100 years. Students wrote a short piece about what they think their life may look like when they are 100 years old. Using cotton wool and scrapbooking materials they created a self-portrait to match their ideas. We culminated our celebration with some cupcakes at recess and a team 100 word challenge!

Thank you Miss Ryan for baking the yummy cupcakes for us!

MAMA and Botanical Gardens Excursion

It was a glorious and fun filled day yesterday on our whole school excursion to MAMA and the Albury Botanical Gardens. We started the excursion with Hannah from MAMA who gave us a thorough tour of the art gallery. We viewed the work of various Australian Artists and learnt a lot about their unique style in creating their artworks. We also got to view some artwork done by our primary students who were involved with the Nguram-gang/Home Art program.

Students were also very lucky to be given a t-shirt each for being involved in the program and for visiting the gallery.

We then walked to the Albury Botanical Gardens to have lunch. It was a beautiful sunny day and we thoroughly enjoyed our time at the gardens. The photos featured in today's newsletter, clearly shows how much fun everyone had with the games that Jaz and Chloe had organised! The treasure hunt that Linda organised was also a hit!

CWA Learning Presentations

We had a visit from the Country Women's Association today and they were very impressed with the children's learning about Nepal. Each year CWA nominates a country for local schools to study. This year's country is Nepal. The ladies were given a passport each and they went around to the different Nepalese cities which our students had set up.

The students then shared their learning with the CWA ladies and helped them locate each city in their passport as well as stamping and signing their visas. We then had our Nepalese lunch with the ladies.

Woolworths Earn and Learn

Thank you to those families who have been collecting the Earn and Learn stickers and thank you Tena for supporting us at the Corowa store. We collected **13680** stickers which will enable us to receive some wonderful resources for our school.

Learning Awards

Jai – For focusing and offering thoughtful contributions during maths groups.

Alex – For his focus and interest to achieve his best in Maths.
