Swimming Relay Team

Infants Learning

Riverina Swimming Carnival

Congratulations to Joshua, Edward, Jazmine and Alex who competed in the Riverina Swimming Carnival yesterday at Albury. They represented our school in the PP6 Relay Team and have made it to the State Swimming Carnival! We are very proud of their efforts and wish them all the best for their trip to Sydney later this term.

Southern Riverina PSSA AFL Trials

Well done to Josh and Ed who made it to the next level of the football trials. Fantastic effort boys!

Years 1 to 6 Student/Parent/Teacher Learning Conference

A note was sent home on Tuesday with your child regarding an opportunity for parents to have an informal conference to be held over 3 days next week. This is a great opportunity for parents to get an update on their child's learning in all areas of school life. It is also a chance for parents to ask any questions or raise any concerns with their child's teacher. Conference date/time is allocated as the forms are received.

Cross Country

Our small schools cross country carnival will be held on Thursday 29th March at Burrumbuttock. A permission note will be sent out shortly with further details of the event. We request that students please wear their sports runners to school in place of their black school shoes for the weeks leading up to the carnival, as we will be training each day.

Class Learning News

Infants

In science we have been learning about how things move. This week we explored the push of water and pull of gravity through a team investigation. This involved pushing different objects into buckets of water and describing what happened. As part of their home learning students will identify some ways that people use pushes and pulls in their everyday life.

Primary

Science and Technology

Included in this newsletter are some photos of the hard work and effort that students in Years 3-6 have been putting in towards the group learning, investigating, making and building a model to show the relationship between earth, sun and moon. Each group presented their model and explanation in front of their peers. An awesome effort by all of the students in Years 3 to 6!

Stage 2 Students Overnight Excursion

Preparations are well underway for this excursion to the Great Aussie Resort. Our Year 3 and 4 students are very excited and are looking forward to the many experiences that they will have on this excursion. Please remember to return all notes and payment to school as they will need to be forwarded to Walbundrie Public School who have booked the excursion. Remember to let Mrs Sayasenh know where your child will be departing from and as well as the pick-up point. Please do not hesitate to contact Mrs S if you have any queries or concerns.

Coles Sports for Schools Program

Our school has registered for the Coles Sports for Schools Program. The program gives schools across Australia the opportunity to earn sports gear just by collecting vouchers from Coles.

For every \$10 spent at Coles customers will receive one Sports for Schools voucher.

Families can bring vouchers to school and every voucher received by our school will go towards our tally to help order sports equipment.

Easter Fun Day

We are looking for parent volunteers who might like to help out with some Easter activities on Wednesday 28th March. We hope to have a cooking activity and some craft activities on offer for the day.

The rotation of activities is anticipated to commence at 11:30am and conclude at 1:00pm, followed by lunch at 1:00pm. Parents and families are invited to join students for lunch. The day will conclude with a school assembly and a show case of our Easter activities. Save the date and please contact Mrs Sayasenh or Miss Ryan if you are able to help out on the day.

Learning Awards

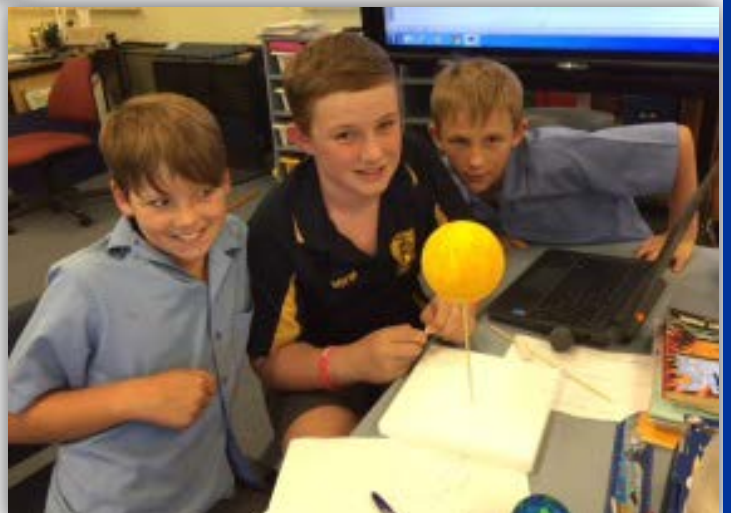

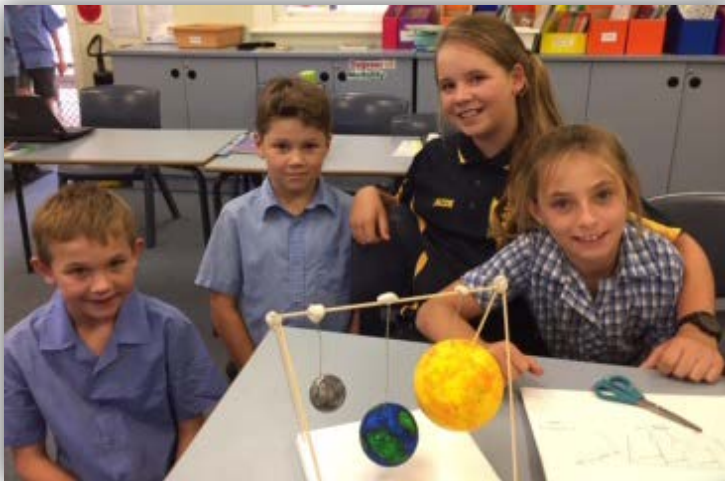

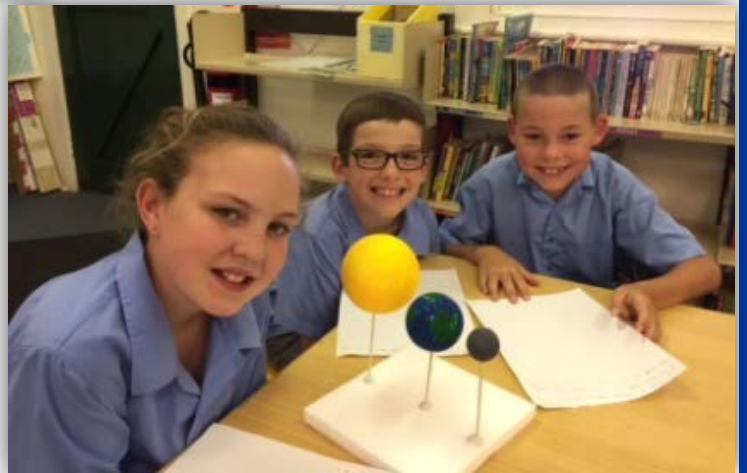

Isabelle - Applying herself with dedication to all tasks.

Billie - Displaying qualities of kindness and gentleness in her interaction with others.
